

Russia News

News agency and Italian newspaper for information from and on the countries within the Russian Federation and Russian-spoken countries

RUSSIA NEWS

ONLINE AND FREE PRINTED NEWSPAPER

Russia News was established in order to promote the development of touristic, cultural, economic and entrepreneurial relationships between Italy and Russia or Russian-spoken countries within the former Soviet Union by publishing respective news and information. News regarding politics, economy, culture, tourism and events related to the Italian system serve to keep the readers up to date. In order to promote their dissemination these news are published in their native language as well as in Italian and German.

The diplomatic missions of all fifteen former Soviet republics as well as the respective embassies, consular offices, religious bodies etc. closely cooperate with our editorial team in order to ensure even better communication between their institutions and the corresponding communities in Italy. Cultural associations and companies that intend to engage in the trade between Italy and countries of the Euro-Asian region place their requests with and are supported by our newspaper/portal.

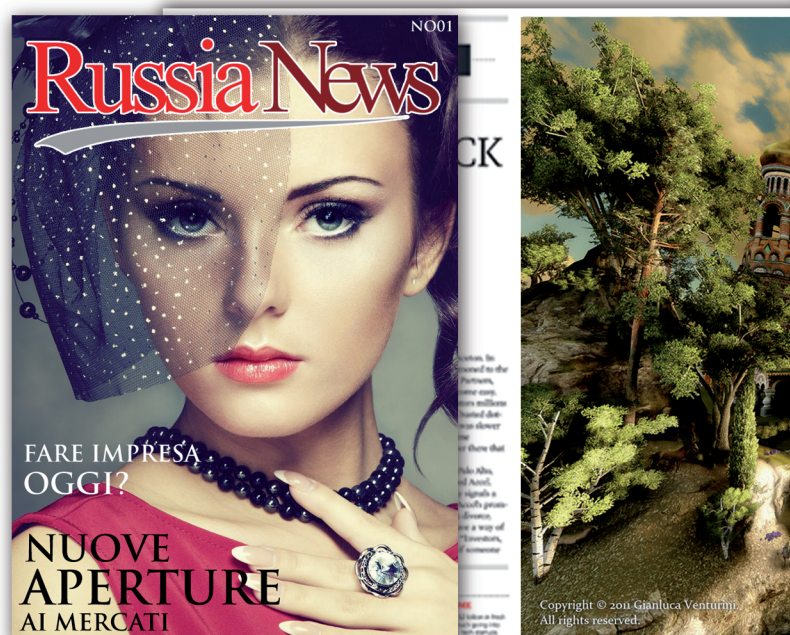

The newspaper's basic columns - including required modifications and amendments - are structured as detailed below:

- from around the world: the most important news from all over the world;
- Italy: news on Italian politics, economy, events, etc.;
- Russia and Russian-spoken countries: news on politics, economy, events;
- culture: news, biographies, history, cultural events, cinema, concerts;
- thoughts: novels, short stories and poems, written and sent to the editorial team by our readers;
- legal issues: publication of complete legal regulations relevant for the respective countries, including their translation and simplified explanations;
- useful pages: information about, announcement and publication of useful addresses (embassies, associations, police headquarters, information centers, etc.);

- recipes from Italy and Russian-spoken countries;
- programs and festivities organized by the major Orthodox and Roman-Catholic Churches in Italy;
- leisure: performances, programs of associations, playbills of theaters and movie theaters, venues, sports clubs, event calendars of museums, etc.;
- economy: news on economy and trade relations between Italy and the respective countries;
- art & history: events, biographies and facts in relation to Italian history and culture;
- religion: events, news and feast days of Catholic and Orthodox churches as well as those celebrated by other religions;
- traveling & tourism: news, suggestions and outlines of and about all Italian tourist attractions and cities;
